

**Report of the
Digital Forensics Certification Board (DFCB) Meeting
January 16-19, 2007**

**Hosted by
The National Center for Forensic Science**

NCFS hosted a Digital Forensics Certification Board meeting January 16-19, 2007.

➤ **Participants:**

- Ovie Carroll – US Dept of Justice
- Ken Privette – US Postal Service IG
- Anthony Kordich – US Dept of the Treasury
- Gaylon Thompson – DOD Cybercrime Center
- Mike Phelan
- Walter Apotne – DEA
- Howard Ommert – Bank of America
- Mark Pollitt - NCFS
- Carrie Whitcomb – NCFS
- Chuck Davis – NCFS

➤ **Deliverables:**

- The purpose of this meeting was to develop the basic test schema, refine the Core Competencies and to create test questions
- Products – almost 100 test questions were developed, as well as the basic structure of the test and the topics that the test would cover
- It was decided that the DFCB would not produce and sell a Study Guide due to the level of complexity and need for support from volunteers
- Set date of April 17-19, 2007 as next meeting
